	Ohana Means Family	Ilima Loomis	Kenard Pak	Neal Porter Books - an imprint of Holiday House	Join the family, or ohana, as they farm taro for poi to prepare for a traditional luau celebration with a poetic text in the style of The House That Jack Built. This is the land that's never been sold, where work the hands, so wise and old, that reach through the water, clear and cold, into the mud to pick the taro to make the poi for our ohana's luau.	https://www.youtube.com/watch?v=CyXl1ojAWhA
	Stella Keeps the Sun Up	Clothilde Ewing	Lynn Gaines	Simon & Schuster	In this incandescently fun, hijinks-filled picture book, a young girl schemes to keep the sun up in the sky so she never has to go to bed. If Stella had her way, she would stop sleeping on her sixth birthday. Because sleep is boring. And there are so many better things you could be doing. And Stella is tired of being tired. So she comes up with a plan. People only have to go to bed when it gets dark, and it only gets dark because the sun goes down. If she can keep the sun in the sky, she and her best friend, Roger, can stay up for a hundred years! They enact their magnificent, wonderful, genius plan, offering the sun a cup of coffee, shining a light at it so it will shine back, and jumping on a trampoline to reach the sun and push it higher. But before long, Stella begins to wonder...are there downsides to keeping the sun up forever?	https://www.youtube.com/watch?v=TaAmtrC0CUM

X	The World Belonged to Us/El mundo era nuestro!	Jacqueline Woodson	Leo Espinosa	Nancy Paulsen Book - an imprint of Penguin Random House	It's getting hot outside, hot enough to turn on the hydrants and run through the water--and that means it's finally summer in the city! Released from school and reveling in their freedom, the kids on one Brooklyn block take advantage of everything summertime has to offer. Freedom from morning till night to go out to meet their friends and make the streets their playground--jumping double Dutch, playing tag and hide-and-seek, building forts, chasing ice cream trucks, and best of all, believing anything is possible. That is, till their moms call them home for dinner. But not to worry--they know there is always tomorrow to do it all over again--because the block belongs to them and they rule their world.	https://www.youtube.com/watch?v=3HOKpH0ExHU
X	Where Wonder Grows/Donde las maravillas crecen	Xelena González	Adriana M. Garcia	Cinco Puntos Press	Grandma knows that there is wondrous knowledge to be found everywhere you can think to look. She takes her girls to their special garden, and asks them to look over their collection of rocks, crystals, seashells, and meteorites to see what marvels they have to show. "They were here long before us and know so much more about our world than we ever will," Grandma says. So they are called grandfathers. By taking a close look with an open mind, they see the strength of rocks shaped by volcanoes, the cleansing power of beautiful crystals, the oceans that housed their shells and shapes its environment, and the long journey meteorites took to find their way to them. Gathered together, Grandma and the girls let their surroundings spark their imaginations.	https://www.youtube.com/watch?v=Z95QcB8ZSPQ
