

Scholars Unlimited Registration Fee Policy

Purpose

The Scholars Unlimited registration fee helps ensure that families who enroll their young people in our programs are committed to attending. This allows us to responsibly plan staffing, materials, and programming so we can best serve our scholars and families.

Registration Fee Amount

- \$35 for one child
- \$30 for each additional child in the same family

Non-Refundable Fee

- The registration fee is **non-refundable**, regardless of attendance or withdrawal from the program.

Enrollment Priorities

- **Priority enrollment** is reserved for students who attend our **partner schools during the school year**.
- Scholars Unlimited is committed to serving at least **80% of families from our Impact Populations in underserved communities**, ensuring equitable access to high-quality out-of-school-time programming.

Financial Assistance

We believe cost should never be a barrier to participation. Families who need assistance with the registration fee are encouraged to reach out. Support may be available.

✉ Please contact enrollment@scholarsunlimited.org to discuss financial assistance options.
