

After School Position Available

Teacher Tutor

Under the direction of the Site Director and the Director of Instruction the Teacher Tutors work with small groups of elementary students in planning and implementing instruction for reading intervention. Teachers will conduct DIBELS Next assessments to place students and plan reading instruction accordingly. Scholars Unlimited's programs are located in elementary schools north and far northeast Denver, west Aurora, and Westminster.

The dates of the program are September 9, 2019 to May, 2020. Training for roles begins August 19th.

Job Requirements

- Participate in training and coaching
- Assess students using pre and post assessments
- Set goals for individual students based on DIBELS Next assessment data, or other assessment information.
- Place students in groups according to assessment information, and plan reading instruction for the groups accordingly
- Use Scholars Unlimited small group literacy or STEM instruction and schedule
- Work with additional site tutors, such as the Technology Specialist, as a team
- Use the curriculum provided by Scholars Unlimited
- Maintain student records and participate in evaluation process
- Communicate with Scholars Unlimited Site Leader and Scholars Unlimited staff
- Complete hiring paperwork, orientation and training are requirements for employment

Required Experience and Skills

- Current teacher license (does not include substitute license)
- Elementary school experience
- Knowledge and experience teaching reading
- Ability to work the entire session
- Attend all training sessions
- Must pass background checks
- In good standing with Scholars Unlimited

Compensation

Direct instruction at \$27.50/hr for 3 - 6 hours a week depending upon the school assignment. Planning, testing and training is \$19.60/hr.
